

**CSCA
Classes
Comparison Table
2018 vs 2019**

NOTES:

Some cars in previous Class C may now qualify for Class AB

Some cars in previous Class DC that have modern performance upgrades may now be in Class P
(e.g. Only Rover 3.5L and 4.4L "P76" V8s permitted in classes AB and CD all other Rover V8s are post 1985)

Some cars in previous Class DM may now need to move to Class P due to ECU, etc modifications

A review will be made at the end of 2019 with some possible changes for 2020.
